September 2010

**The Meeting is September 14th ,The Second Tuesday at:  
Mel's Lone Star Lanes, 1010 North Austin Ave, Georgetown.  
Meeting Starts at 7:00 pm**

## Georgetown AirFest!

The Georgetown Airfest will be held at the Georgetown Municipal Airport in Georgetown, Texas on September 25, 2010. Climb in the cockpit of the B-25 Devil Dog, a WW II-era bomber. Watch Falcon Flight, a precision flying team, perform formation fly-overs in their kit-built planes. A wide range of interesting and unique aircraft will be on static display on the taxiways where you can get up close. The event starts at 10 a.m. and goes to 4 p.m. This event is FREE!

G.A.M.A. will be there with airplane displays and club information. We will have a small area to fly small planes and mini-micro helicopters, nothing larger can fly, only displayed. Also we will have a couple of 10 x 10 canopies to hide under and B.S. with anyone interested in R.C. If you would like to help out, contact Bob Petrinc for more info, we plan on setting up around 8:00am on Saturday the 25th.

Web Site: <http://airfest.georgetown.org/>

## Remember When.....

Way back in 2003, there was a trio of watchers, who were watching. Watching what we will never know...

Where is that runway?  
All I see is green grass!  
(2003)

Can we go play at the new field now?  
(2005)

Grass, we don't need no stinking green grass, we have Petro-mat!  
(2005)

Club Pins	\$ 2.00
Total Income	\$ 29.00

### EXPENSES

Cash for Door Prizes	\$ 40.00
Total expenses	\$ 40.00

## GAMA August Meeting Minutes

The meeting was called to order by Vice-President Bob Petrinc at 7:00pm, Richard Looby was absent.

**VP Report:** Bob talked about the upcoming Georgetown Airfest at the Georgetown Municipal Airport on September 25th, GAMA will be there with displays and club information. The show runs from 10:00 am to 4:00 pm.

**Membership Chair:** George gave a count of number of members which stands at 86, and mentioned that AMA will begin renewals in September instead of October. Also, he said that 2011 will be the 75th anniversary of the AMA.

**Field Chairman:** Stephen thanked those who help out at the field work day, the runway patching is done except for sealing the seams. Ray Rayburn also mentioned that weed whackers do a good job of pulling up the petro-mat edges and perhaps we should use Round-Up to edge the runway instead.

**Secretary/Treasurer:** Bob read the treasurer's report as published in the newsletter. Also the minutes as published in the newsletter were accepted by motion and vote.

### End Of Officers Reports.

Bob Petrinc talked about hats and shirts. Verne Palmer from Wiki Embroidery will be making them, the logo will be the standard one, except the word, "Association, Inc" will not be on it, only Georgetown Aero Modelers, the full name takes up too much space. Pricing was discussed and order sheets were handed out. The order sheet will be posted on the web site.

Bill Bruce talked out the cookout at the work day, very well received, we took in \$41.00 in donations to help offset the cost of food, which was \$78.00, but we do have some supplies left for the next one.

### **Show and Tell:**

Stephen Gilskey brought in a cowl he made from tape, cardboard and fiberglass and gave a how to on making them.

Edgar showed off a small travel plane he brought in (dreamflight.com)

Meeting adjourned at 7:40 pm.

## Flying Field GPS Coordinates

### Airport

N 30 degrees, 40.7655 minutes

W 97 degrees, 40.5704 minutes

Elevation: 790 feet msl

Bearing from airport to flying field: 49.0 degrees

Distance from airport to flying field: 3.82 miles

### Flying Field

N 30 degrees, 42.9560 minutes

W 97 degrees, 37.6824 minutes

Elevation: 810 feet msl

Bearing from flying field to airport: 229.0 degrees

Use 655 CRI41, Georgetown, TX as the address in your GPS
